INDEX.

*Denotes an original article. † Book reviews.

A

Abortion, comparative statistics of legalized and illegal abortion...925
—— its frequency and importance.....115
—— law regarding, among civilized nations.....669
—— the induction of, in visceral disease.....865
—— three hundred cases of.....*769
Abortions, types and treatment of 621
Aburel: Dystocia due to fæcal concretion.....341
Acidosis, postoperative.....350
Actinomycocis in the adnexa of the female genitalia.....696
—— of the female adnexa, a case of.....375
"Acute pyelitis" in infants, pathology of so-called.....133
Adenomyoma of the uterus.....146
Albuminuria in pregnancy and labour, with report on 120 cases and short notes on 55 cases.....*48
Allan, H. and E. C. Dodds: Investigations into the cause of the onset of labour.....*447
Amenorrhœa, a note on acidosis in relation to.....616
Amniotic nodes.....697
Anæmias, liver in the treatment of pernicious and other.....†849
Anæsthesia, regional in gynæcology.....360
Analgesia, obstetrical.....883
Armytage, V. B. Green-: Gynæcology and obstetrics in Shakespeare *272
Aschheim-Zondek reaction, chorionepithelioma and the 926
—— —— reaction for pregnancies, results in 100 cases.....888
Asherson, N.: Some local sequelæ after radium treatment.....*84
Autotransfusion in ruptured ectopic pregnancy.....864
Avertin, the use of, in childbirth.....856
—— the value of.....916

B

Bacterial content of the urethra and bladder in cases of sepsis following delivery and abortion.....356
Bailey, K. V.: An inquiry into the basic cause of cervical cancer: the pathology of cervicitis and the relation between cervicitis and cervical cancer.....338
—— An inquiry into the basic cause and nature of cervical cancer..626
Baltzer, H.: Adenomyoma of the uterus.....146
Barris, J.: Chronic cervicitis.....113

Bell, W. Blair : Acute and chronic inversion of the uterus.....*310
—— Sterility in women.....613
Bey, N. Mahfouz : Urinary fistulæ in women.....*566
Biopsy, discussion of.....192
—— methods and results of.....191
Birth control clinics, seventy.....†851
—— injuries in the newborn.....175
—— ,, ,, ,, ,, ...382
—— shock and sudden death after labour.....147
—— trauma, congenital dislocation of the hip as a.....933
Bistoury, the electric, in gynæcological surgery.....345
Bland, J. B., L. Goldstein, and A. First : The sedimentation test in pregnancy and the puerperium.....337
Blood sugar during eclampsia, fluctuation in.....871
—— transfusion in gynæcology, auto.....124
Bourne, Alek. W. and J. W. Burn : The reaction on the uterus of anæsthetics and other drugs used in labour.....855
Bow, M. R. : Maternal mortality as a public health problem.....862
Bowen, W. H. : Severe hæmorrhage from rupture of an ovarian cyst 858
Boyle, H. E. G. : Gas-oxygen in midwifery.....114
Breech deliveries during a five-year period at the Sloane Hospital for Women, a review of.....331
—— presentation, the management of a frank.....858
Brews, Alan and R. Christie Brown : Congenital retention of the menses.....*233
Bride, J. W. : Hydatid cysts (Tænia Echinococcus) in the broad ligament *96
Bromine test for diagnosis of pregnancy, the value of.....613
Brown, R. Christie and Alan Brews : Congenital retention of the menses *233
Browne, F. J. : Occult nephritis and its relation to pregnancy toxæmia *476
Brumwell, J. : Rhabdomyosarcoma of the uterus and vagina in an infant.....861

C

Cæsarean sections, an analysis of 874 cervical, performed at the Chicago Lying-in Hospital.....877
—— —— an analysis of, performed in Los Angelos from 1923 to 1928 876
—— —— a contribution to.....153
—— —— and embryotomy.....374
—— —— extra-peritoneal.....668
—— —— ,, ,, ...879
—— —— suture of the uterus.....899
—— —— the prognosis of the low.....909
—— —— the question of.....349
—— —— the technique of Phaneuf in low.....142
—— —— uterine rupture through the scar of a.....920

Calcium partition in pregnancy, parturition and toxæmias, the...886
Cancer, a clinical contribution to the question of uterine.....676
—— of the body of the uterus by subtotal hysterectomy, the treatment of.....900
—— on radiation therapy in.....955
Carcinoma, the diagnostic provocation of.....953
Cardiopathies and pregnancy.....345
Carrearas, F. and C. Cortes : Heart changes during pregnancy.....141
Cellulitis and sclerotic processes in the connective tissue of the female pelvis.....903
Cervical cancer, an inquiry into the basic cause of, the pathology of cervical erosion.....338
—— —— an inquiry into the basic cause of.....626
—— —— recognition of early.....336
—— carcinoma under radiation treatment, relation between structure and prognosis in.....187
Cervicitis, chronic.....113
—— the pathology of.....113
Cervix, carcinoma of the, and pregnancy, with special reference to the influence of radiation of the uterus.....187
—— carcinoma of the uterine.....179
—— chronic infection of the.....321
—— metastases in cancer of the.....902
—— on the function of the rabbit, during coitus.....*92
—— plastic operation on the, with special reference to Sturmdorf's operation..... .925
—— surgical treatment of carcinoma of.....720
—— the surgical treatment of carcinoma of the.....316
—— uteri, the end-results of treatment of cancer of the.....957
Chamberlain, E. N. : Sex differences in the cholesterol content of tissues.....118
Chondrodystrophia fœtalis.....359
Chorionepithelioma, infected.....345
Climacteric, the.....†104
Colebrook, Leonard : Infection by anærobic streptococci in puerperal fever.....855
Collier, H. E. : A study of the influence of certain social changes upon maternal mortality and obstetrical problems.....*27
Colpo-perinœrraphy for complete perineal rupture.....904
Colporrhaphy, rheumatism, and coli bacilluria, recent work on...†609
Connell, J. S. M. : The use of avertin in childbirth.....856
Corpus luteum, expression of the.....665
—— —— physiology of the.....666
—— —— ,, ,, ,, ...952
Craig, G. : Genito-urinary fistulæ.....323
Cranial bones, defective, as a cause of intrauterine death.....924
Crook, A. : Albuminuria in pregnancy and labour, with report on 120 cases and short notes on 55 cases.....*48
Cullen, T. S. : The training of the gynæcologist.....114

D

Dale, N.: Obstetrical observations....122
Das, Kedarath: Twins in primiparæ (from a medico-legal standpoint)....*841
Decidua, the study of the very early....880
Decidual grafts, changes in the breasts during....941
Deciduomas in the rat, spontaneous....117
Delmas' method in placenta prævia....142
Demelni forceps, the,....693
Dévraigne, L.: Metritis and gestation....135
Diabetes and pregnancy....912
Diathermy in gynæcology, the application of....121
—— knife, operations with the....933
Diekmann, W.: Further observations on the hepatic lesion in eclampsia....332
Dick test in relation to incidence of puerperal infection....615
Dodds, E. C. and H. Allan: Investigations into the cause of the onset of labour....*447
Dodds, Gladys H.: Value of the bromine test for diagnosis of pregnancy....613
—— and Florence L. Telfer: The value of the sedimentation test in obstetrics and gynæcology....*286
Douay: Infected chorionepithelioma....345

Dyke, S. C.: Liver in the treatment of pernicious and other anæmias....†849
Dyspnœa, postoperative....155
Dystocia due to fæcal concretion....341
—— due to fœtal retention of urine....655
—— due to idiopathic dilatation of fœtal urinary tract....*832
—— due to uterine prolapse in the case of a double uterus....910

E

Eberts, E. M.: The surgical diseases of the thyroid gland....†847
Ecbolics contra-indicated....924
Eclampsia, a case of, with unusual history....624
—— and albuminuria....623
—— —— of pregnancy, ultimate prognosis in cases of....116
—— and pre-eclampsia, the late outlook of cases of....675
—— and the results of liver therapy....864
—— a phytopharmacological study of....893
—— further observations on the hepatic lesion in....332
—— important procedures in conservative treatment of....331
—— ten years experience of, and its treatment....352
—— the causation of....615
—— the improved prophylactic method in the treatment of....†105
—— the prevention and treatment of....358
—— the problem of....160
—— the treatment of, by the improved prophylactic method with telephonic consultations....*807

Eclampsia, treatment of, in the Southern Maternity in Stockholm from October, 1911 to December, 1928.....378
Ectopic gestation, diagnosis and treatment.....368
—— —— two cases of, presenting unusual features.....*582
Edgecombe, Kathleen: Dystocia due to idiopathic dilatation of fœtal urinary tract.....*832
Electrocardiographic investigation during, before and after operation.....710
Endocervicitis, treatment of chronic.....113
Endocrine glands, the functioning of the, in the embryo and the passage of maternal hormones through the placenta.....900
Endometrioma of the crural canal.....647
Endometriomas.....385
Endometriomata, after results of the operative treatment of.....954
—— in laparotomy cicatrices.....690
Endometriosis in uterine cornua.....726
—— the association of, with neoplasms of the ovary.....123
Ephetonin on the ovary, an experimental investigation concerning the effect of.....933
Epignathus, a rare fœtal monstrosity.....*577
Ergot as a puerperal gangrene.....352
Ergotismus gangrenosus.....879
Estrual cycle, irregularity in the, of the white rat following operation on the ovaries.....339
Exomphalos.....372
Extrauterine pregnancy, full-time.....623

F

Fairbairn, J. S.: A textbook for midwives.....†847
Fallas, R.: Krukenberg tumour of the ovary.....125
Fallopian tubes, implantation of the, into the uterus.....647
—— —— primary carcinoma of the.....632
—— —— ,, ,, ,, ...955
Farr, C. E. and R. T. Findley: Salpingitis.....125
Farrar, L. K. P.: Auto blood transfusion in gynæcology.....124
Fibromyoma, spontaneous expulsion of a, following abortion.....926
—— uterine.....634
—— Röntgen treatment of uterine.....950
Fistulæ, genito-urinary.....343
—— on the treatment of recto-vaginal.....697
—— operative treatment of extensive vesico-vaginal.....668
—— treatment of recto-vaginal.....376
—— urinary in women.....*566
Fœtal head, the engagement of the, in primigravidæ.....658
Fœtus and vitamin A, the.....165
—— mummified.....140
Folliculin and the thyroid gland.....943
Fontes, J.: Study of the causes of the onset of labour.....341
Forceps, the sphere of usefulness of the high, with special consideration of the Kjelland and Jolkin forceps.....148
